

Next Step Autism
Abbotsford
"LEGO Club"
Social Skills Program
Ages 8-12
Terry Fox Elementary
Tuesdays, 3:15-5:15
September 27-December 13

This group consists of twelve weeks of Lego Based Social Skills instruction. Content for the Lego Based Social Skills group is based on resources by Dr. Daniel LeGoff and Michelle Garcia Winner. Activities will include freestyle LEGO builds, LEGO games, LEGO crafts and other cooperative play. Instruction in social thinking concepts will take place in each session. The sessions may take place at the school or out in the community. Under the direction of Kelly MacGregor (BCBA) our highly experienced Behaviour Interventionists will help children learn social skills in a fun, activity based program.

Cost: \$1450 for the 12 weeks (Autism Funding may be used)
Your child will need the skills to be able to enjoy being in a small group of children and follow basic instructions.

TO REGISTER: call Kari Yelland at 604-852-2686 ext. 237
