

# HELPING KIDS SHINE CHARITY GOLF CLASSIC

**Wednesday July 8, 2020  
Fraser Glen Golf Course**

*Together, we can make a difference in the lives of families in the Fraser Valley!*

## ABOUT FVCCDC

The Fraser Valley Child Development Centre cares for the growth, development and learning of children and youth with developmental needs in the Fraser Valley. Over 3,600 children and families receive our services each year. Help us reach more.

We invite you to become a supporter of the 6th Annual Ladies' Helping Kids Shine Charity Golf Classic. We are anticipating another well attended day and have a big goal to raise more than 2019 which was \$24,645!

## IMPACT

Parenting is hard. Parenting a child with developmental needs can be even harder. Parents may feel overwhelmed, isolated and at risk for emotional burnout.

Proceeds raised at this event will go to support the Family Counselling Program, specifically Program Echo; a family support workshop, developed to assist in the prevention of emotional burnout for parents who have a child in one of our programs.
